Dear Mr. Franco,

On September 13, 2016 the San Luis Obispo County Board of Supervisors unanimously voted to place our request to approve and ratify our sublease to Latitude 35 on the October 4, 2016 agenda. This item is for the implementation of our zipline project.

We request that you present us as a separate entity, as we are not related to any activities, problems, or proposals at the Dairy Creek Golf Course, or at any other parts of El Chorro Regional Park.

We were requested by you in your email dated September 14, 2016 to provide our documentation to be presented to the SLO County Board of Supervisors on October 4, 2016 and we have attached our proposed sublease to this email. We consider this sublease the amendment to our existing lease with the County of San Luis Obispo, to allow for a zipline sublease with Latitude 35.

We will be present on October 4, 2016 at the SLO County Board of Supervisors regularly scheduled meeting.

In regards your email item 1, "not to renew the expired agreement relating to the hardscape project", I will add this to our October SLOBG Board meeting agenda. As soon as I have the response from my Board I will respond to you immediately.

Thank you for your help and consideration.
